Village officials and members of the Antioch Fire Department and Rescue Squad are hoping to get the support they will need to have a new safety building at Orchard St. and Turner Dr.

That support will have to be in the form of money and, consequently, Mayor Michael J. Haley and others are hoping a referendum can be held early in December.

Monday night "the ball" was tossed into the hands of the Antioch First Fire Protection District, which includes most of Antioch township.

THE FIRE DISTRICT is being asked to handle about 40 percent of the operating expenses of the proposed safety building. The village would pay the rest.

Two of the fire district's three trustees, Ray Atwood and Russ Lasco, met with village officials Monday night along with the fire district's attorney, Edward C. Jacobs. They said they would try to meet with the other trustee, Frank Moser, and hopefully have an answer by next Monday night's village board meeting.

"AT FIRST GLANCE the figures appear awfully steep," said Atwood. "We'll have to study them and we don't know what the alternatives might be."

Trustee Don Amundsen interjected:

"We don't think there's an alternative to building a new fire station and rescue squad headquarters."

Amundsen and Haley both said, "we can't fund it without the participation of the district."

Without that participation, a referendum couldn't be held in early December ... a time considered by village officials to be much more preferable than after the first of the year.

THE TOTAL ESTIMATED cost of the project is more than \$1.4 million. However, Monday night, Amundsen suggested some cuts which he said might reduce that figure to about \$1.1 million.

Harold Warren, a municipal finance consultant from Deerfield, said "assuming a bond issue in the amount of \$1.45 million," the additional taxes on a home assessed at \$15,000 would be about \$28 to \$30 a year.

A home assessed at \$15,000 is probably worth about \$60,000 in today's real estate market.

"IF WE DON'T get more room, we can only go backwards," said Fire Chief Tod Maplethorpe. "There just isn't enough room in our present location and, in this business, you don't stand still ... you only go ahead or backwards. I hope the public wants the best it can get."

Trustee Vern (Barney) Barnstable said:

"People who toured the present fire station during our recent open house could see why we need a new building."

WARREN ESTIMATED THAT future operating expenses and capital cost of the new building would require about \$113,000 a year from the village and about \$88,000 a year from the fire district.

### Will open tailor shop next Monday

The Antioch Tailor Shop, at 952 Main St., will be opened on Monday, Nov. 7,

from 12 noon to 6 p.m. so that people can pick up their clothes.

The shop went out of business recently.

Mayor Michael J. Haley said Nov. 7 will be the last chance for owners to claim their clothing from the store. No checks can be accepted, he said ... cash only.

### Please: Don't burn leaves on streets

Residents of Antioch have been asked not to burn leaves on village streets.

"It destroys the asphalt," said Walter Shepard, superintendent of public works.

Shepard pointed out that

a village ordinance says leaves can be burned only during daylight hours and not on village streets.

### Knights of Columbus help mentally retarded

In 1958 a dedicated and busy school teacher was called to the home of one of her pupils and was met with a surprise.

There, she was introduced to Peter, 8 years old and incredibly handicapped.

Peter couldn't speak or read, but only rub his thumb over the faces of pictures in books until the pages wore through.

"YOU HAVE NO IDEA of the sorrow and the cost of raising this little boy," explained Peter's mother. "Now, after \$20,000 has already been spent, they can only tell us to put him in an institution."

The teacher volunteered to work with Peter and, thus, the Grove School in Lake Forest was founded. Now, 19 years later, it is a haven of Christian love and care for more than 100 children who can't be helped even by public institutions.

NINE YEARS AGO the state officers of the Knights of Columbus felt they should do more to help people. After a search, they found an almost forgotten group, the mentally retarded ... and so the Knights began their annual Tootsie Roll drive.

This week, Friday and Saturday, Antioch's Knights of Columbus, along with their families and friends of other faiths, will be on street corners, in shopping centers and other business places, soliciting donations to help the mentally retarded.

The men from Antioch, Lake Villa and Lindenhurst are members of the Father Henderson Council 3800. Woody Kelly is grand knight of the council and Ted Burbridge is past grand knight.

WHEN YOU SEE THEM, handing out tootsie rolls in exchange for donations, you'll know they are raising money to help people like Cathy, a severely retarded infant who has become productive and soon will be celebrating her 30th birthday with friends at Mt. St. Joseph in Lake Zurich ... and people like Geri, who had a spinal cord tumor and would otherwise be bedridden and forgotten, it is weren't for the efforts of those who gave their time so she could have a reason for living, and the motivation to get out of bed each morning.

A lot of us hate to get out of bed in the morning ... but that's only because we can.

A newspaper dedicated to people marching to their own drummers.

### Asks why teacher is changing jobs

To the Editor:

Mr. Paul Epner is leaving the Antioch Upper Grade School to accept a position in private industry and the community is losing a very dedicated teacher.

Many people agree that Mr. Epner is a very good teacher who is genuinely interested in the education of our young people, but few will ask themselves the question, "Why is he leaving?"

Does anyone wonder why a teacher leaves a school, or are we too busy in the hustle of today's world to give a damn?

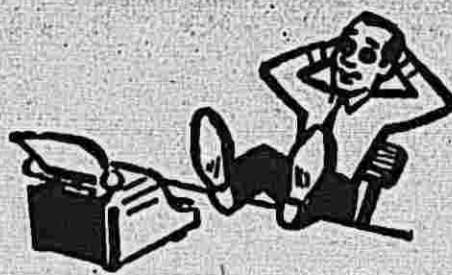

Is he one of many competent teachers who will leave a school system that is being changed by a few selected people who are more interested in their own egos rather than educating our young people for today's and tomorrow's world, or will the parents of this community become actively involved in giving their children the best educational opportunities available?

Ask yourself the question, "Am I actively involved in my child's education and am I aware of what is happening in their school?"

### Halloween... from fun to flashers

By JERRY PFARR

Halloween fun certainly has changed since we were kids.

We remember, as teenagers in Kenosha, we were so bored on Halloween that we'd go over to the high school football field and sit in the stands.

Whenever a car would come along (which wasn't quite as often in those days) we'd start cheering like crazy, as if a game were going on.

Sometimes a car would stop to see who was playing, but all the driver would see was a bunch of cheering kids sitting in the stands. No teams on the field.

THIS HALLOWEEN, in Antioch, two women were walking in a downtown parking lot just before 3 a.m. when a man wearing an ape mask leaped out and frightened them.

They called police and officer Harold Mason went to the scene. He found the fellow in a doorway on Lake St. (probably waiting for you to come along). The "ape man" ran but Officer Mason caught him.

Police said he apparently had been drinking. The "ape man" apologized to the ladies and was escorted home with instructions to go to bed.

THERE ALSO WAS a "flasher" on Halloween in an Antioch restaurant.

Since this is a family newspaper, I can't print the details ... but next time you see me on the street, ask, and I'll tell you the whole story.

## THE TOWN CRIER

WHAT COLOR CAR do you prefer?

Most of the cars I've owned have been blue, even though I'd rather be driving around in gold or beige. But it seems whenever I look for a used car, the best ones are blue.

Now we hear the most popular new car color in Illinois last year was blue.

Illinois ranked third in the nation with a total of 652,743 new car registrations, over one-fourth of which were one of the many blues offered on last year's models.

The second most popular color was white or cream. I still prefer gold or beige, in the event you're thinking of buying me a new car for Christmas.

FINE, TERSE PROSE, reminiscent of the style of Ernest Hemingway, a sense of high adventure and a deep understanding of the outdoors marked the late Jack Griffin as quite a lot more than a sports columnist.

His writings, enjoyed by millions of Americans through his nationally-syndicated Chicago Sun-Times column, now are collected for the first time in GRIF (Greatlakes Living Press, \$9.95, 21750 Main St., Matteson, IL 60443).

The thoughtfully edited collection of the best of Jack Griffin has many moods. There are the personality pieces - Griffin was counted as a friend by the likes of Bobby Hull, George Halas and Muhammad Ali - and the stories of adventures and camaraderie that characterized Grif's fishing expeditions to the far regions of the globe. There are the nostalgic pieces recounting the sweet, hard times of his boyhood in Kansas City, sandlot ball games and stories from Grif's stint as a war correspondent in Korea.

50 YEARS AGO: NOV. 3, 1927

Antioch suffered its first football defeat of the season at the hands of the strong team of Warren Township High School, 19-0. It was the first time in history the Gurnee team was able to take Antioch into camp. The local boys were outweighed several pounds per man. Early in the game, Steininger, quarterback and star performer on the local team, suffered a cracked hip and had to be carried off the field. The game left five Antioch boys with injuries that will prevent them from playing this week against Leyden.

'Nice going, Tom!'

Coach Jack Pardee (right) of the Chicago Bears congratulates Tom Kelly, president of the Antioch Savings & Loan Association, on his team's racquetball victory over the State Bank. The victory returned to the Savings & Loan the local "Athletic Supremacy Trophy" which Kelly received from Bill Brook, president of the State Bank, after Kelly won a marathon swim against Mr. Brook's employees.

Last month the traveling trophy was returned to the State Bank after "The Great Antioch Volleyball Challenge."

It was rumored that Pardee asked Kelly for some advice on winning, which Pardee used at Green Bay last Sunday, But Kelly declined to confirm the rumor or take any credit for the Bears success.

"That's a secret between Jack and me," said Kelly.

## Grass Lake's 'Haunted House'

Grass Lake School's third annual "Haunted House" was one of the best of the many in the area again this Halloween. At right, Jim Zegler as Count Dracula leaps from his coffin to scare (from left) Mary Ann Dittmer, Michael Mattson and Wendy Dittmer. Other "monsters" are in the background.

Below, "Wolfman" Irv Metz sneaks up on Michael Mattson while his mother, Carole Mattson (playing Dracula's wife), peeks around the corner in a corridor of the "Haunted House." (Another picture on next page.)

## Along the way with ANNIE MAE

One of Antioch's favorite ladies, Elizabeth Walsh, will celebrate her 88th birthday this Friday, Nov. 4.

Elizabeth worked as a waitress at Antioch Restaurant until she retired less than a year ago. How is she feeling?

"My gosh, she's spry as can be ... better than me," said her son, Irv, a village trustee who works for Riftenhouse & Embree Co.

KATHY TOFT, NATURALLY, was an extremely lovely bride last Saturday when she became Mrs. Wayne Soder at the Methodist church in Lake Villa.

Their families and many friends gathered after the wedding for a reception at Andre's Steak House in

Richmond.

Kathy and Wayne will make their home in Antioch.

ANTIOCH, 47 YEARS AGO? -- No, this picture was taken Sunday when the Chain o' Lakes Model A Ford club held a "road rally," starting from the high school parking lot. About 30 members drove their 1930 automobiles over the 50 mile route. The

shiny, restored Fords, which probably sold for \$1,000 or less in 1930, are now worth from \$4,000 to \$6,000. Bill Bunnell of Zion, in charge of the rally, said he gets about 25 miles to a gallon. He also mentioned the club is looking for new members.

The Tuesday, Nov. 8, guest speaker for Antioch's chapter of the American Association for Retired Persons will be Toby Radcliffe of Waukegan.

He will discuss the "circuit breaker law" as it applies to senior citizens.

President Esther Aiani of the Antioch Chapter is urging members to buy tickets for the upcoming chicken dinner and also the group's Christmas party.

### Commendation Medal.

His parents, Mr. and Mrs. Charles W. Smith of Antioch, received the news from the commander of the Plattsburgh Air Force Base in New York.

The letter from Lt. Col. John Buddi said:

"The award was made to your son for meritorious service while assigned to March AFB, Calif. Documents accompanying the award cited Bernie's accomplishments which contributed significantly to the successful operation of his unit and which make him a valuable asset to the Air Force.

"Realizing that a man's humility often keeps him from mentioning his personal achievements, I wanted to let you know that Bernie has received this recognition.

"The distinctive accomplishments of your son reflect credit on himself and the United States Air Force."

**THE VILLAGE OF ANTIOCH'S** recreation department was \$200 richer after last week's racquetball match between the Antioch Savings & Loan Association and the State Bank of Antioch. Each financial institution gave \$100 to Sue Koppa, parks and recreation coordinator, to help her programs for youngsters and adults. Standing in front is Kirsten Kelly, who's father, Tom (left) is president of the

Savings and Loan. Mrs. Koppa pointed out she was dressed as a clown only because she had hurried over from a pre-school Halloween party. Others (from left) are Tony Starcevic of the State Bank, Laddie Korecek of the Savings & Loan, and Glenn Hendrickson, presenting a trophy from the State Bank. The Savings & Loan team of Kelly, Korecek and Bob Vorel was the winner. (Related photo on page 7.)

## VIKING SCOREBOARD

### Heavyweights

The Viking Heavyweights lost their final game in a thrilling 21-20 bout with Round Lake.

Round Lake scored on its first possession with a strong running attack. The Vikings came back on a 5 yard run by Tano Martino to tie the score 7-7.

A tough defense caused Round Lake to give up the ball on a fumble recovery by John Contois.

Taking full advantage, the Viking offense scored on a 20 yard pass from Dean Berkiel to Scott Poulter. The half ended 14-7.

Round Lake retaliated by scoring twice on running plays, making the score 21-14 in the second half.

With 5 minutes remaining, Todd Sybor made a key interception enabling the Vikings to score a third time on a 2 yard run by Martino. The point after was only inches short as the offense drove in a valiant effort to tie the game.

The Heavyweights finished second in the Northern Division of the Northern Illinois Jr. tackle league this season.

### Lightweights win division

The excellent team effort of the Antioch Viking Lightweights ended a successful 7-1 season with a victory over Round Lake 42-13.

Both defensive and offensive units excelled, with Andy Lehn, Joe Emmerich Dave Walsh, Kris Vogt and Chuck Payne doing outstanding work on defense, coaches said.

On a handoff from Tom Haviland, Bob Thain ran 40 yards for Antioch's first T.D.

On a 20 yard pass from Lehn, Emmerich ran 25

THE LEADING ball-carrier in Antioch's stunning 39-12 win over Jacobs High School here last Saturday was 180-pound junior halfback Gene Lehn. At right, he finds a big hole and dashes in for a touchdown. Below, Gene gains yardage, dragging would-be tacklers behind him.

### Antioch High impressive at volleyball

Antioch High School's volleyball team played well against two good teams, Woodstock and McHenry.

Antioch lost to Woodstock in 3 games, 22-20, 14-20 and 18-20.

Top scorers were Sue Girten and Shelly Wix.

The junior varsity won 15-9, 15-9. Top scorers were Sharon Neubauer and Kathy Krom.

On Thursday, Antioch won on both levels against McHenry. The varsity lost the first game, 14-20, and won the remaining two, 20-4 and 20-9.

Top scorers were Sue Girten, Linda Haling, Patty Hinz and Mae Stiles. "Setters" were Mae Stiles, Diane Hairrell and Joan Oesterle.

### Field hockey team beats Elgin 3-0

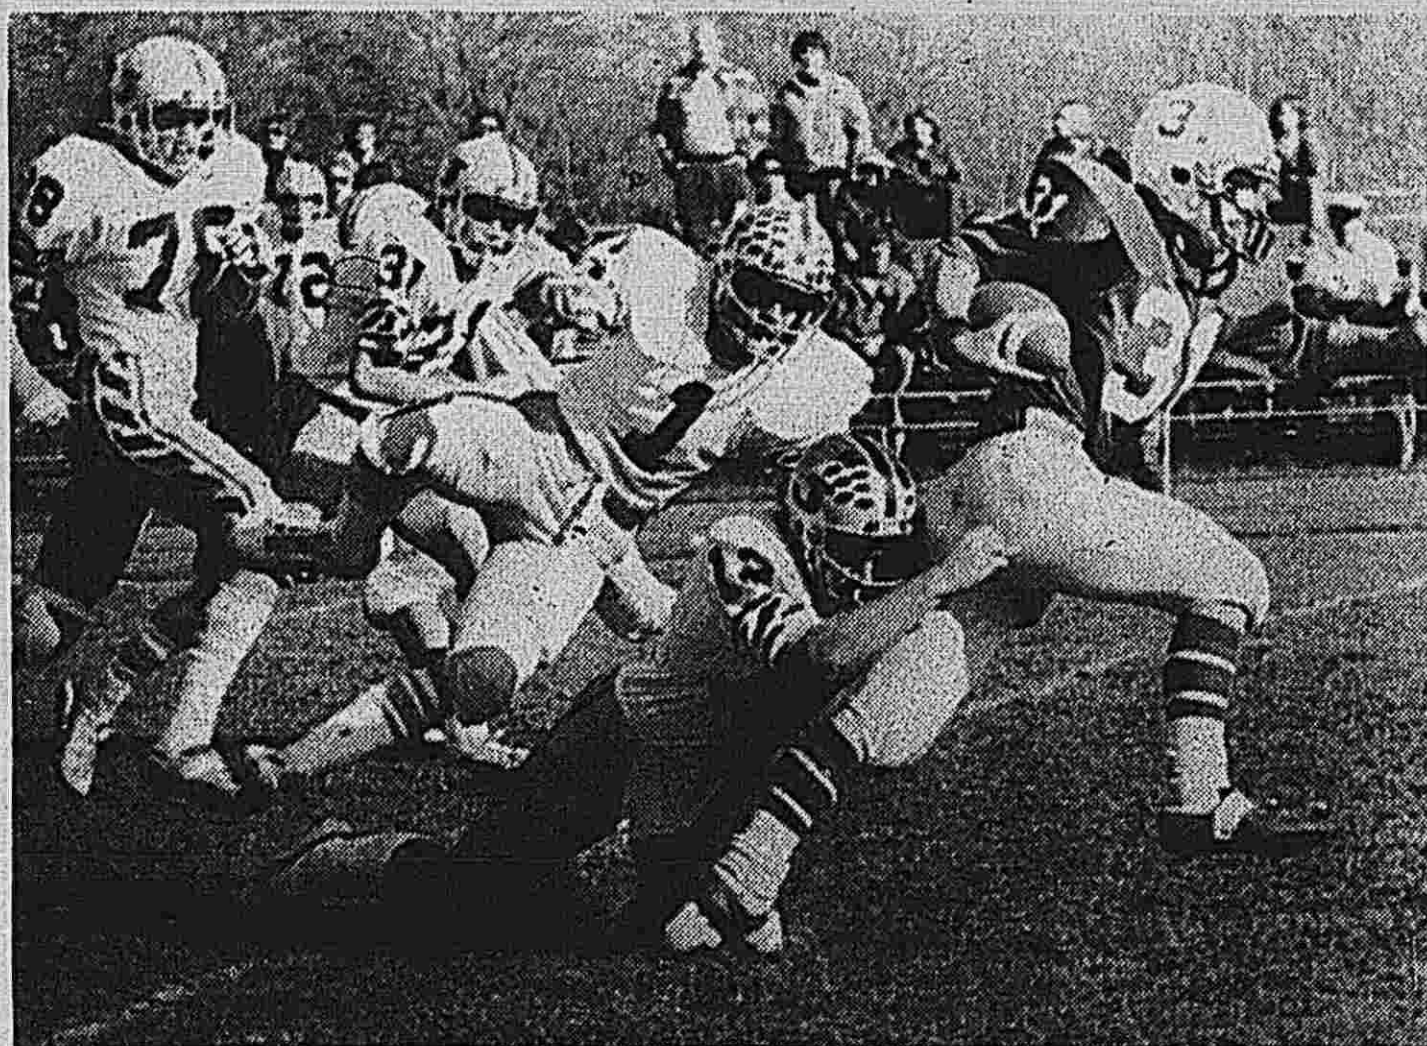

The Antioch field hockey team finished the regular season with a 3-0 victory over Elgin Academy at Elgin.

Kathy Murphy scored twice and Diane Walsh once. The game was never in doubt and was played

primarily on the Elgin half of the field.

The victory gave Antioch a 4-6-1 record.

"Antioch played better than the record indicates but the schedule included many tough teams," coaches said.

### Antioch youth wins trapshoot competition

David Dyer, 16, a high school freshman, outshot 75 men Sunday in a handicap trapshoot at McHenry Sports Club.

By winning, David earned a trip to Phoenix, Ariz., where he will compete in the Spring Grand trapshooting tournament. The event in Arizona will be held in January.

David also received a new shotgun as his prize for winning at McHenry.

# Antioch seeks another football win

Antioch High's Sequoits are hoping to put the "frosting" on the season Saturday when they wrap up the football campaign at 2 p.m. here in a varsity game against Grayslake.

If the Sequoits win they will finish with a 4-5 record and some of the sting will be taken out of those earlier-season losses to tough clubs like Woodstock, which ranks among the best in the state in its class.

Coach Roy Nelson's Antioch team really got rolling last Saturday when it outclassed Jacobs' Golden Eagles 39-12 here.

Now, the Sequoits will be a slight favorite over Grayslake, which was crushed 46-14 by Woodstock last Saturday. Grayslake has a 2-6 record, but Antioch coaches and players realize the visiting Rams are capable of an upset.

SO, THE SEQUOITS will be giving it all they have Saturday in the season finale.

In the victory over Jacobs, Antioch's 39 points was a season high for the local team.

Six touchdowns were scored and Antioch gained more than 350 yards total offense. This contrasted with Jacobs' 66 total yards, only 4 rushing and 62 passing. It was the lowest number of yards given up by the Antioch defense this year.

ANTIOCH TOOK THE opening kickoff and scored on its first possession. In all, the drive took 11 plays and consumed more than 5 minutes in the opening quarter. The touchdown was scored by junior back Gene Lehn, and the extra point was added by senior kicker Al Moore.

After Antioch's kickoff, Jacobs was unable to move the ball and was forced to punt. Antioch started another drive on the Jacobs' 32-yard line. In 5 plays the second touchdown was scored by senior back Kenn Rosenbrock from one-yard out.

Again, after the kickoff Jacobs was forced to punt, unable to gain yardage on the tough Antioch defense. After the punt Antioch took over on Jacobs' 37-yard line. On the first play from scrimmage junior quarterback Rob Nauman threw a 37-yard touchdown pass to junior end Scott Schroeder.

THAT ENDED THE SCORING in the first half: Antioch 19, Jacobs 0.

In the first half Jacobs' offense netted a minus 51 yards. Antioch kicked off to Jacobs starting the second half. Jacobs was forced to punt, again unable to move the ball.

Antioch took over on its own 15-yard line on "third and 12" quarterback Nauman connected on an 85-yard touchdown play to senior end Tim Huebner for Antioch's fourth touchdown.

The fifth touchdown was scored by Lehn, his second of the day, from 24 yards out. The sixth Antioch touchdown was scored by senior back Jim Crutchfield after senior end Mike Miholovich blocked a Jacobs punt.

Jacobs scored a lone touchdown in the third quarter on a 10-yard run. Jacobs' second touchdown was scored with less than a minute to play on a 4-yard pass.

ANTIOCH'S LEADING ground gainers were Kenn Rosenbrock, 13 carries for 83 yards, and Gene Lehn, 11 tries for 93 yards, 8.5 per carry. In the pass receiving department Tim Huebner caught two for 95 yards and Scott Schroeder caught two for 44 yards. Nauman completed four of 10 passes for 137 yards, or 13.7 yards per attempt.

Antioch's ninth and final game Saturday is being designated as Parents' Day.

## Mike Koss tops 'football experts'

We hate to say this, so we'll just whisper it: (Most of the people who entered the Antioch News' football contest last week picked Jacobs High School to beat Antioch.)

But at least, since they're Antioch fans, they probably enjoyed the pleasant surprise of seeing the Sequoits romp past Jacobs' Golden Eagles by 27 points, 39-12.

THE CLOSEST ANYONE came to that 27-point spread was Mike Koss, of 431 Poplar, who picked Antioch to win by 17.

For his victory in the contest, Mike will be sent a \$15 savings account at the State Bank of Antioch and a \$10 gift certificate at Stanley's Men's Fashions.

Second place in the contest went to Betsy Houghton, who predicted a 14-point victory for Antioch. She will receive a \$10 gift certificate from King's Drugs and a \$10 guest certificate from Maggie & Harry's Thompson's Bar and Restaurant.

Third was David Witek, who said Antioch would triumph by 10 points. We'll be sending David a \$5 gift certificate from Four Squires clothing store and a \$5 guest certificate from the Las Vegas Restaurant.

THE SEASON'S FINAL football contest appears in today's paper.

There will be four winners and several prizes. Be sure to enter before Antioch and Grayslake clash here at 2 p.m. Saturday.

## Sophs lose, face Grayslake Saturday

The Antioch High School sophomore football team played the Golden Eagles from Jacobs High School last Saturday and were routed 34-12.

For the second week in a row, the young Sequoits played an undefeated team from the conference's South Division. In both games, Antioch went into the halftime intermission behind by a slim 8-6 -- only to see its dreams of a second-half upset rally drift quickly away.

The loss left the Sequoits with a season mark of 5-3 overall, with the North Division Grayslake Rams as the final opponent on 1977 sophomore schedule.

If the Sequoits can beat the Rams next Saturday at home, 12 noon, they will finish as undefeated leaders of

## Physics students build bridges with toothpicks

Thirteen physics students representing Antioch (the defending champion), Grayslake and Woodstock high schools assembled in Antioch for the 3rd annual "Toothpick Bridge Building Contest."

The event was originated by Al Kane, a physics teacher at Grayslake.

The contest was an example of a basic engineering problem—a strong, yet light bridge. The object of the contest was to build a bridge out of toothpicks and Elmer's glue that was to be judged in all or one of three categories: beauty, originality and strength.

Rules specified that each bridge entered in the "beauty and originality" categories must have a 10 inch span, a 5 inch clearance at center and not exceed 16 inches in length, 10 inches in height and 16 inches in width.

Bridges entered in the strength category had to conform with the above rules and could not be laminated or painted.

The winners in the "beauty" category were: 1st, Jim Skinner, Grayslake; 2nd, Greg Allen, Antioch; 3rd, Kurt Buland and Eugene Krataviel, Grayslake.

The winners in the originality category were: 1st, Mike Musiel and Allen Vaughn, Woodstock; 2nd, Greg Allen, Antioch.

The winners of the strength category were: 1st, Greg Allen, Antioch; 2nd, Dave Barrett and Ross Summers, Antioch.

## ACHS names citizens to 'advisory board'

Superintendent Warren Polley of the Antioch High School district has received a letter from the Illinois Office of Education granting "full recognition" status to the high school as a result of the September state evaluation.

The board approved the following list of citizens to serve as an "advisory board" to the vocational education staff: Phil Adesso, Robert Andrews, William Brook, Randy Bussone, John Haling, Elwood Kapischke, Richard Kirkpatrick, Richard Klean, Adrian Mueller, James Olson, Richard Schlarbaum, Chris Singleton, Jody Smouse, Dr. Robert Sven and Dan Vos.

Frank C. Johnson will be the board delegate to the Illinois Association of School Boards' annual meeting in Chicago-Nov. 19-21.

There will be a special meeting of the board of education of District 117 on Thursday at 7 p.m. in the board room.

"The purpose of the meeting is handling student discipline," said Robert M. Lindblad, president of the district's school board.

### 'Firebug' at Deer Lake

By DAVE BUSHING  
"Expert on the Out of Doors"

Terry Folbrick, one of our local (supposedly) great duck hunters had a little problem while hunting last Thursday morning.

His motor caught on fire while running across the lake. When Terry tried to put it out with a life preserver, that caught on fire and about the same time the gas tank caught on fire also.

Very quickly, Terry threw the gas tank into the lake and the burning life preserver also.

For his next act, Terry took off his shirt and attempted to beat the fire from the motor. The shirt caught on fire and Terry threw it in the lake.

All this time his shotgun was smoldering in the bottom of the boat.

Luckily he retrieved the wet shirt from the lake and put the fire out.

The moral of this "true to life drama" is that I told him if he kept up his friendship with Art (Fats) Moldenhauer something was sure to happen to him.

How is it that the boss misses traffic jams that make the rest of us 20 minutes late?

## COMPLETE SERVICE FOR YOU AND YOUR FAMILY

### Suddenly

Upon reflection I think you will agree that the moment of bereavement is not the time to suddenly realize that you will have to provide burial space for a close relative or member of your family. Certainly not in a period of soaring costs and increasing scarcity. We do not blame you for preferring to think about your next vacation and we will not burden you with stories of people unprepared to meet this exigency, but they are legion. This is not our field, but we are prepared to help you with suggestions on this and related matters at a time when you are relaxed and can deal with this necessity in a manner best suited to your situation. Naturally, there is no obligation on your part.

yards for the second T.D.

A clipping penalty nullified the next T.D. Lehn blocked the punt and moved the ball to the 14. Thain ran to the 7, then Emmerick, on a pass play, scored the third T.D.

Lehn passed to Walsh on the 40. On the next play Lehn ran 38 yards for another T.D.

The next two touchdowns were scored by long runs of 50 yards by Thain and 70 yards by Walsh.

Antioch's final T.D. was a 25 yard run by Thain.

The Viking Lightweights end their season as the Northern Division champions of the Northern Illinois Jr. tackle football league.

## Featherweights

### Raiders

In their final game of the season the Raiders were victorious 19-0 over Fox Lake.

Recovering a Fox Lake

fumble, Les Zitkus ran 30 yards for the first Raider score. The second touchdown came on a Zitkus to Randy Mowen pass completion that covered 50 yards.

Dave Hanson scored the third T.D. on a 45 yard jaunt late in the game. He also ran in the extra point.

The Raiders closed their season with a 4-4 record. The coaching staff credited this to "an overall improvement in performance by the entire squad."

### Buccaneers and Warriors fall

The suburban Glenview organization rolled over the Antioch Featherweights for the last time this season. The Buccaneers lost to the Glenview Chargers 26-0, while the Warriors lost to the Glenview Mauraunders 7-0.

The Warriors gave up a quick touchdown, but battled the Mauraunders nose

to nose the rest of the game.

Chuck Duha completed 5 passes out of 6 attempts. Steve Edmonds caught two for 40 yards and Tony Gebauer caught two for 16 yards.

Tad DeRousse, Doug Merrill, Steve Lichter and Tom McLellan made the defense tough.

The Warriors, like the Raiders, ended their season with a 4-4 record.
